

WIRELESS ACCESS POLICY

Beaumont Library District offers a free wireless network. It is available during library operating hours. By choosing to use this free service, you agree to follow the rules of this Computer Policy. The Library District's wireless network is not secure. Information sent to and from one's notebook/laptop computer or other wireless device may be captured by anyone else with the appropriate wireless device and/or software.

Patrons who use the Library's wireless network for illegal activity, including, but not limited to, illegally downloading movies and/or music, viewing or sending child pornography, pornography, or any other sexual oriented material on their own device/devices are in violation of this Computer Policy will be subject to having their library privileges terminated.

Library staff has limited ability to provide technical assistance and there is no guarantee that the wireless network will be available.

Beaumont Library District assumes no responsibility for the safety of equipment or for notebook/laptop computer or other wireless devices configuration, security or data files resulting from connection to the Library District's wireless access.
