

POLICY REGARDING USE OF LIBRARY FACILITIES

No person, while on the premises of the library, shall obtain or attempt to obtain signatures to a petition or conduct surveys or investigations or distribute printed material, or unnecessarily disturb any person without permission of the Library Director. Solicitations for charitable, religious or other purposes, selling of tickets, magazines or merchandise of any kind, are prohibited in the library building.

Smoking is prohibited in all District library facilities. Smoking is the carrying, holding, possession or smoking or lighting of a pipe, cigar, cigarette, or any electronic cigarette or vapor device. Appropriate "No Smoking" signs shall be posted and maintained in all District facilities.

Members may be required to leave if they are dressed inappropriately. All members must wear shoes and shirts.

No person shall bring animals into the library building, except animals used in library programming, seeing eye or hearing or service dogs or animals, or dogs used by law enforcement agencies.

No photographs or videos may be taken in or around library facilities without the permission of the Library Director.

Personal equipment, including but not limited to typewriters, computers, children's toys, radios and personal stereos, or cell phones may not be used if staff considers such items to be disruptive, noisy, or unsafe.

There will be no bathing or washing of clothes in the restrooms.

For any violation of these regulations, a person may be removed from the building and their library privileges suspended.

The Library Director and all personnel are authorized to enforce these rules.
